Welcome...

to the August Journal.

Inside this month’s Journal please find the minutes of the Kennel Club’s AGM in May. Please also see inside for the usual events and seminar listings, ‘For the Members’ and newly granted kennel names.

Make sure you don’t miss out on the special Agility issue of the August Kennel Gazette to tie in with the International Agility Festival being held on 11, 12, 13 & 14 August 2016 at Rockingham Castle, Rockingham, Market Harborough, Leicestershire. Our Judges’ Choice this month is the Toy Poodle with many other special features such as an article on the 40th anniversary of the registration of Border Collies, an article by John Gilbert on how agility began, a feature on the benefits of hydrotherapy for dogs as well as a report on the grand opening of the Kennel Club and an update on the Queen’s Street Party in which some lucky members took part.

Vice Chairman Steve Croxford provides a View from a Member of General Committee and Simon Parsons discusses the future of dog shows in Viewpoint.

Finally, June 28th saw the announcement of the winner of the Kennel Club’s Dog Photographer of the Year competition, a truly striking image which was taken by Anastasia Vetkovskaya from Russia with an image of Sheldon the English Springer Spaniel.

Happy reading!

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs.’ Since its inception in 1987, the Trust has awarded over £9 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. If you would like further information, please contact The Kennel Club Charitable Trust, Clistres Street, Piccadilly, London, call 01296 318540 or go to www.kccharitabletrust.org.uk Registered Charity No. 327802

The Accolade of Excellence is normally awarded to Kennel Club Assured Breeders who already qualify for the three existing accolades, have had a successful visit from an Assured Breeder Assessor and have bred five or more British champions (any discipline).

Breed clubs are invited to submit the names of candidates in writing to the Kennel Club. Breed club secretaries requiring a current list of Assured Breeders in their breed should visit www.the-kennel-club.org.uk/services/ or write to the Kennel Club.
KENNEL CLUB ANNUAL GENERAL MEETING - 17 MAY 2016

The Kennel Club held an AGM on 17th May 2016 at the Curzon Cinema, Curzon Street, Mayfair.

1. The Chairman, Mr SC Luxmoore, opened the meeting at 12.30pm and chaired the meeting. He explained that electronic voting would be used for all resolutions requiring a vote and introduced the independent observers who would oversee the vote.

2. The members approved the report of the Annual General Meeting held on 20th May 2015 and published in the July 2015 issue of the Kennel Club Journal.

3. The Chairman advised that there were no items arising from the previous Annual General Meeting.

4. The members approved the report of the Special General Meeting held on 10th November 2015 and published in the February 2016 issue of the Kennel Club Journal.

5. The Chairman advised that there were no items arising from the Special General Meeting.

6. The Chairman then moved to item 6, which was to receive the audited accounts for the year ended 31 December 2015 for the Kennel Club Limited under Article 42.3.2. Questions were raised and answered on payments made to acquire investments; the Kennel Club’s operating costs; an increase in remuneration to outside people brought about the strategy; and whether the KC would pay for any restructuring costs. In order to comply with company law notice requirements and allow for ample time for discussion, the special resolution would therefore be dealt with as a self-contained meeting immediately prior to the AGM. For completeness a further resolution for amendments to the Kennel Club A rules was also proposed, which would be consequential to the amendment proposed for the Articles of Association.

The Chairman explained that at the annual general meeting in May 2015, the members had supported the proposal from Dr John Symonds to review the corporate governance of the Kennel Club and that a working party had been established to carry out that review. As a result of the review, several proposals were put before the members as follows: 1. The Finance and General Purposes Committee to be replaced with recognised business Committees; Finance, Audit and Risk and Performance and Remuneration committees; 2. Removal of Trustees; 3. Discretionary proxy voting should not be used for the election ballot for Directors; 4. To allow for the Board to amend the rules of the Kennel Club and enable it to make business decisions on revenue generating fees such as transfer and licence fees which are central revenue issues; 5. (Changes to) Terminology in the Articles and Rules. The Chairman then invited questions from the floor and introduced Anne-Marie Piper of Farrer and Co to assist in answering them. Questions were raised and addressed on a number of subjects, including the size of the Board under the proposed new structure; on specific Articles of Association on membership termination and the quorum for a general meeting; taking the right to vote on rule changes away from members, why the Club was seeking to take the power to restructure committees, who would create strategy, and whether the KC would pay remuneration to outside people brought onto committees.

At the conclusion of the discussion, the Chairman put the proposal ‘that the draft Articles of Association circulated to the members with the notice calling this General Meeting are adopted in substitution for and to the exclusion of the Kennel Club Limited’s existing Articles of Association. With effect from 18 May 2016’ to a vote. The results of the proxy votes were then taken into account. There was insufficient support for the special resolution to adopt amendments to the Kennel Club’s Articles of Association, which was not passed. Consequently there was no vote on the further resolution for amendments to the Kennel Club A rules.

The Chairman advised that, having listened to the comments, feedback and concerns from members, the General Committee would review these concerns and would work on how best to reflect the concerns in more measured and tailored proposals. He thanked Dr John Symonds, Paul Eardley, Tony Alcock, Steve Croxford and Anne-Marie Piper as members of the Governance Working Party for their time, attention and diligence over the past year and thanked Rosemary Smart, Linda Branwhite and Michael Johnson of the Kennel Club staff, for their support.

KENTUCKY CLUB AGM - 17TH MAY 2016

1. The Secretary, Mrs CR Kisko, read the notice convening the meeting and the Chairman, Mr SC Luxmoore, chaired the meeting.

Before continuing with the agenda, the Chairman reported that the following members had died since the last meeting: Honorary Life members: Mrs NB Down, Mrs JM Macdonald, Mrs FJ Minns; Honorary member: Mrs ME Lewin; members: Miss MA Baldwin, Mrs SD Burgess, Mr NE Butcher, Mr P Carey, Mr SJ Chamberlain, Mr DM Douglas, Mrs RH Ellis, Mr D Furneaux, Mrs EL Hart, Mr JH Lehtinen, Mr S Lund, Mr AP Rees, Mr RG Richardson, Mrs E Russell, Mr AGC Simmonds, Mr JF Smith, Mr GF Williams. The members stood in their memory.

2. The members approved the report of the General Meeting immediately prior to the AGM.

3. The Chairman put the proposal ‘that the draft Articles of Association circulated to the members with the notice calling this General Meeting are adopted in substitution for and to the exclusion of the Kennel Club Limited’s existing Articles of Association. With effect from 18 May 2016’ to a vote. The results of the proxy votes were then taken into account. There was insufficient support for the special resolution to adopt amendments to the Kennel Club’s Articles of Association, which was not passed. Consequently there was no vote on the further resolution for amendments to the Kennel Club A rules.

The Chairman advised that, having listened to the comments, feedback and concerns from members, the General Committee would review these concerns and would work on how best to reflect the concerns in more measured and tailored proposals. He thanked Dr John Symonds, Paul Eardley, Tony Alcock, Steve Croxford and Anne-Marie Piper as members of the Governance Working Party for their time, attention and diligence over the past year and thanked Rosemary Smart, Linda Branwhite and Michael Johnson of the Kennel Club staff, for their support.

Agenda Item 7 was to appoint BDO LLP as auditor for the ensuing year and resolve that their remuneration be agreed by the General Committee. This was proposed by Dr Gabriel and seconded by Mr Irving. With the inclusion of the proxy votes, this was agreed.

8. The Chairman then turned to item 8, the election of Vice Presidents for the ensuing year. Miss Sutton proposed the following for re-election as Vice Presidents: The Earl of Buchan, The Rt Hon Lord Fairhaven, Mr JPC James, the Lord Kirkham and Sir John
On behalf of the General Committee, 12. Item 12 was to receive a report from the proposed election of Mr TR Pascoe as an Honorary Life member in accordance with the Articles of Association of the Kennel Club Limited (Article 34). The proposal was seconded by Mrs Wiles and, with the inclusion of the proxy votes, agreed unanimously.

9. The Chairman asked Miss Sutton to present item 9 of the agenda, the proposed election of Mr MA Cooke as an Honorary Life member in recognition of his dedication and service given to the Club over the years. The proposal was seconded by Mr Wilson Young and, with the inclusion of the proxy votes, agreed unanimously.

10. The Chairman asked Miss Sutton to present item 10 of the agenda, the proposed election of Ms A Oliver as an Honorary Life member in recognition of her dedication and service given to the Club over the years. The proposal was seconded by Mr Wilson Young and, with the inclusion of the proxy votes, agreed unanimously.

11. The Chairman proceeded to item 11, the election of eight members of the General Committee in accordance with the Articles of Association of the Kennel Club Limited (Article 30), each for a three-year term. There were eight candidates, each of whom was retiring by rotation and who was offering themselves for re-election. Those standing were Mr MA Cooke, Dr IH Gabriel, Dr RW James, Mr G King, Mr ACM Rountree, Mrs GF Simpson, Mrs JP Wood and Mr AW Young.

Ahead of the vote, a query was raised about why members could not actively vote against those standing for General Committee. It was explained that this mirrored the procedure laid out on the Committee. It was explained that this needed to be a limit on the number of people in the building and we must comply with Royal security protocol. It was therefore not possible to invite all members to this event and the Club will therefore be closed to members and visitors on the day.

The move into the new building has not been without a few trials and tribulations, however only a very few snags and one or two other matters remain to be addressed. I would like to thank Alan Moore, of GVA, our project manager, who has worked tirelessly on negotiating and sorting out these points with the developer, British Land and the contractor, Laing O’Rourke.

Moving on to Aylesbury, a contractor, Parkway Construction MK Ltd, has now been appointed and we have bought the freehold of the site for our new office in Aylesbury, off Gatehouse Lane. The developer is Aylesbury Vale Estates, in which Aylesbury Council has a 50% stake, and they are currently negotiating the demolition contract of the existing building that currently occupies the site. The main contractor should be on site by August this year with completion due by July next year.

We completed the purchase of the Emblehope estate in March, from Northumberland Estates. The purchase, as members will recall from the Special General Meeting last year, was subject to a management agreement being reached with Natural England. This was concluded prior to purchase and the agreement provides for the release and shooting of game and for the overall management of the estate, in a manner which will achieve the objectives of both the Kennel Club and Natural England.

The Kennel Club welcomes John Waugh and his family, the farmer on the estate, who now becomes an employee of the Kennel Club and is responsible for the day to day running of the farm on the estate.

As there is much work to be completed within the estate, it is intended that the shooting programme will commence on 1st September 2017 but it is hoped that other canine activities, working trials, Bloodhound trials and working tests will commence sooner. This is a very exciting project which underlines the Kennel Club’s support for working dog activities and it is hoped that clubs and individuals will take full advantage of the facilities that the estate will provide.

Finally on the subject of property, with regards to the proposed canine activity centres, the Kennel Club continues to investigate opportunities to enter into partnership agreements to create multipurpose canine activity centres. As many of us know, societies are continuing to find both availability and security of tenure of venues both difficult and price driven.

In discussing heads of terms, we have to be mindful of the monetary investment that the Kennel Club would be putting into a project. Any project must not just satisfy a need for today but also for the future and must be further justified by providing an asset that has a value going forward. We will keep members informed further as soon as appropriate.

You will note from your agenda that you will receive updates on the progress of a number of working parties under Item 15 of the agenda, but there are some others which I will address here.

In terms of the continued work of the Kennel Club Governance Working Party, we have today presented proposals to the members in the general meeting previously.

Having listened to the comments, feedback and concerns from members the Governance Working Party will review those concerns and will be committed to work on how best to reflect those concerns in further proposals. We look forward to reporting to you later in the year.

With regards to the membership review, discussions on the future membership structure have taken place. However, with the other issues being discussed today, in terms of governance, the Board felt it more appropriate to cover this at the planned November General Meeting when we hope to be able to present to you some models for your consideration.

The subject of coat testing has been ongoing for a number of years now, however, I am pleased to report that the General Committee received a proposal from the working party which is now being scoped in some detail.
prior to further consideration, hopefully endorsement and then implementation. Although I shall leave the Crufts Chairman to update you shortly on what was another extremely successful show, I wish to advise members that a review group has been set up to consider a number of matters with regards to German Shepherd Dogs. This group will report back to the Board/General Committee with recommendations in due course.

You may well be aware that the introduction of compulsory microchipping on 6th April of this year created a very challenging situation for the Club due to the unprecedended demand. Prior to the legislation coming into force, there had been a run for over a year to persuade customers to check and update their details in plenty of time. Petlog had already boosted its customer service team and more than doubled the number of telephone lines to support and guide customers through the changes, but sadly even this was not enough to cope with the demand.

The media coverage surrounding compulsory microchipping not only led many dog owners to somewhat ‘panic’ at the last minute, but also created a general spike from other pet owners which was never anticipated. Given that Petlog is the UK’s largest microchip database with over 10 million pets registered, the impact of compulsory microchipping on Petlog was significant and resulted in a 350% increase in volume across all channels, which would have been very difficult to predict. This unfortunately did result in disruption to the usual standards of service for some of our customers. We apologised to our customers and suppliers and responded to feedback and are now operating on a busy ‘as usual’ basis.

On a positive note, we have been heartened by the response received to the new Kennel Club Academy since its launch in March. The Academy is an online learning resource for breeders, judges and KCAL scheme members, which aims to provide a consistent and high quality of education and training in every area of Kennel Club activity. It comprises a range of learning resources, films and assessments which are available through the Academy, sharing insight and guidance from professionals and experts. This will be developed further enabling anyone interested in the world of dogs to expand their knowledge.

I hope that this brief report, combined with the information previously circulated to members in the Kennel Club Annual Report and that of our Dog Health Group, gives members an insight into the wide variety of work which the staff and committees of the Kennel Club are undertaking at this time.

Before I conclude however, I would like to pay tribute to someone who has contributed a huge amount to the Kennel Club over a number of years, but who is about to step down from his various roles. Mike Townsend has been a great servant to the Club, having been a member of the General Committee, the Finance and General Purposes Sub-Committee and also the Club’s Vice Chairman from 2010 until 2015.

Mike has served as a Trustee of the Kennel Club Charitable Trust since 1998 and has been its Chairman since 2002, a year in which he also became a Trustee of the Kennel Club Staff Pension Scheme. His financial knowledge and acumen have proven absolutely invaluable to the Kennel Club during this period and I hope that you will join me in showing your appreciation to Mike for his years of service, thus far, to the Kennel Club.”

The members gave a round of applause. There were no questions regarding the report.

13. The Chairman reported, under Item 13, that there were currently a total of 1,327 paying members, of whom 1,250 are ordinary members and 77 are overseas members, and a further 67 Honorary Life members or Honorary members.

14. At Agenda Item 14, Mr King, as Chairman of the Crufts Sub Committee, was asked to give an update on the 2016 show. There were no questions regarding the report.

15. Item 15 on the agenda was to receive an update on the various working parties requested by the members at previous meetings. Firstly, the Vice Chairman provided an update on the review of the Kennel Club’s Strategic Objectives and Business Review. It was noted that a revised mission statement and objectives had been drafted by the General Committee and that these were now being assessed. There were no questions regarding the report.

The Chairman then invited Mark Cocozza to give an update on the work of the Communications Working Party. After the presentation, it was noted that it was proposed to continue the work of this group as a communications review group rather than as a working party and that would be the last report made to an AGM on this matter. The Chairman asked Dr Symonds, whose initial proposal to the 2015 AGM had resulted in the formation of the working party, whether he wished to make comment. Dr Symonds advised that he was satisfied with the work of the group and believed that the Club should be given time to implement the initiatives outlined. There were no questions regarding the report.

The Chairman then invited Gerald King to give an update on the work of the Registrations and Crossbreeds Working Party. It was noted that the working party was currently exploring the possibility of proposing a scheme parallel to the Kennel Club Assured Breeder Scheme for breeders of non-pedigree dogs and breeds not recognised by the Kennel Club. Miss Lanning, whose initial proposal to the 2015 AGM had resulted in the formation of the working party, enquired how many times the working party had met and further comments and questions were raised and addressed on the Club’s recognition of non-pedigree dogs, the rise of ‘designer dogs’ since the broadcast of Pedigree Dogs Exposed, and the presence of recessive genes in crossbreeds.

Finally, the Chairman invited Mr Keith Young to give an update on the work of the Dog Show Promotion Working Party. Mr Young advised that, since the SGM in November 2015, the General Committee had approved the creation of six new all-breed Championship shows: Bath, Darlington, LKA, Leeds, Manchester and Windsor, and that the next important large project for the working party was to carry out an in-depth review of Open shows. Questions were raised and addressed on a number of subjects, including where the new all-breed Championship shows would get the necessary judges from, the length of the trial of the all-breed Championship shows; the state of the Open show scene; compliance with the requirements for judges lists; Stud Book bands across various breeds; and a suggestion that dogs should need to qualify to compete at championship shows. A request that data be circulated to those invited to attend a forthcoming meeting of breed clubs to discuss CC allocation was formally noted.

16. Under Item 16, Mr Hedges proposed that ‘the Kennel Club withdraw from the unwanted, unneeded and patently unfair judges’ reciprocal agreement’ that it has ill-advisedly entered into with the FCI, and
return to the status quo which served us so well for so many years.’ The Chairman invited Dr James to respond on behalf of the General Committee. Following a discussion, the Chairman invited Mr Hedges to respond to the points raised. The proposal was seconded by Mr Jones and was put to the vote. With the inclusion of proxy votes, the proposal received a majority and was passed.

17. The Chairman moved to item 17 of the agenda and stated that no items of General Business had been notified beforehand. None were raised at the meeting. The Chairman thanked the members of the General Committee for their hard work over the previous year, and then thanked the members for their contributions to the meeting. Following this, the Chairman declared the meeting closed.
