Welcome

...to the April edition of the Kennel Club Journal. Please see inside for all your usual show, field trial and seminar event listings. Alongside KC Dog information, Junior Warrant listings, From the Board and For The Members, also included in April’s Journal are the CC allocations for 2020.

We hope that everyone who was at Crufts this year enjoyed the show, be it as an exhibitor, trade stand holder, volunteer or a visitor. The Kennel Club was delighted at the success of this year’s event. With a record 162,045 visitors over the four days and TV viewing figures of more than 10 million cumulatively (against 7.6 million last year), it was seen by all as a record breaking Crufts. The Eukanuba World Challenge taking place at the show to celebrate its 10th anniversary gave it even more of an international flair. To mark this year’s show, the Kennel Gazette has produced an online special full of stories from across the four days, a special report on the Eukanuba World Challenge, Best in Show feature and Friends for Life profile. If you haven’t seen it yet click here to have a read.

Make sure you don’t miss out on the April edition of the Kennel Gazette. Highlights include Bill Moores looking over the progress of the Kennel Gazette. Dave Ray brings a report on the work of Rugby Dog Training Club, and there is an update on the Kennel Club Charitable Trust. Gay Robertson looks at ensuring dogs get to live a stress free life, Richard Curtis provides a feature on Heelwork to Music and Annette Oliver looks at the importance of local dog shows. There is a feature on the involvement of the Pickett family in the Kennel Club’s history and a kennel profile on the Ragus kennel name and their involvement in the Norfolk Terrier and finally, this month’s Judges’ Choice is the Chinese Crested. **A12 DISCIPLINARY CASE**

At its meeting on 7 February 2017, the Kennel Club Disciplinary Committee considered the conviction of Ms A K Adams of Norwich, from the Norfolk Magistrates Court for offences in breaching a previous disqualification order imposed by the Great Yarmouth Magistrates Court (26 August 2015) in keeping 22 dogs and further offences contrary to the Animal Welfare Act 2006.

The Magistrates Court imposed a committal sentence of 6 weeks suspended for 2 years, a deprivation order and a disqualification order for 5 years, a deprivation order, a collection order and costs of £500 was imposed. The Disciplinary Committee imposed disqualification penalties for ten years as from November 2016.

The above listed disqualifications are to be for Five (5) years from 7 February 2017.

**A11 DISCIPLINARY CASE**

At its meeting on 7 February 2017, the Kennel Club Disciplinary Committee considered a complaint brought by the Kennel Club under Rule A11 (b) against Mr Whitehead, namely that he behaved discreditably and prejudicially to the interests of the canine world in the alleged incident of harsh handling and punitive correction at the Soft Coated Wheaten Terrier Club of GB Open Show on 17 September 2016.

It was noted that Mr Whitehead has not responded to the referral of the matter.

The complaint is upheld and the Committee impose the following penalties:

1. To warn him as to his future conduct [A11 j (1)]
2. To censure him [A11 j (2)]
3. To disqualify him from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Kennel Club Board shall have the power to increase the period of disqualification [A11 j (4)]
4. To disqualify him from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
5. To disqualify him from acting as an Officer or serving on the committee of any canine society [A11 j (6)]
6. To disqualify him from taking part in the management of any event licensed by the Kennel Club [A11 j (7)]
7. To disqualify him from judging at any event licensed by the Kennel Club [A11 j (8)]
8. To disqualify him from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by him (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The above listed disqualifications are to be for Life from 7 February 2017.

The Committee, following the imposition of these penalties, would draw the attention of the Respondent to the effect of Rule A11 sub-section n.

**KENNEL CLUB EMPHASISES IMPORTANCE OF ACCURATE ENTRY FORMS**

The Kennel Club would like to remind exhibitors about the importance of filling out entry forms accurately.

Over recent months, the Kennel Club has seen an increase in the number of awards which have had to be disqualified through exhibitors providing incorrect information. Situations such as these are not only disappointing for exhibitors, but also for judges and show societies, and are completely avoidable if exhibitors take extra care and time when filling out entry forms.

It is especially important that exhibitors enter their dog only in the class for which it is eligible. They should always read the show schedule very carefully and, if in any doubt at all, either contact the Kennel Club for guidance or enter their dog in the open class, which by definition is open to all.

Exhibitors can double-check their own dog’s details, including dates of birth and parentage, by logging on to the Kennel Club’s online Mykc facility at www.mykc.org.uk.

Now that the Kennel Club is working more closely with show data providers, such as Fosse Data and Higham Press, it is more important than ever that the information on entry forms is accurate. If there are any discrepancies between an exhibitor’s address on the Kennel Club database and that listed in a show catalogue for example, this could result in a delay in sending out Challenge Certificates and other awards.

Caroline Kisko, Kennel Club Secretary, said: “In this fast-moving computer age, the hope is that the way awards are processed at the Kennel Club will become more streamlined in the foreseeable future. But we need exhibitors to do their bit and help in this process. Fewer errors in catalogues could mean that we could get to the stage where certificates are sent out within a matter of days after a show, but this will not be possible where exhibitors provide incorrect information.”

Any exhibitor who needs to update their details with the Kennel Club, such as a change of name or address, can do so by downloading the ‘change of personal details form’ on the Kennel Club website at www.thekennelclub.org.uk/forms/change-of-personal-details

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs’. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. Local authorities in England and Wales can use PPSOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland.

The Kennel Club works with local authorities and dog owners to highlight the importance of PPSOs and DCOs being necessary and proportionate responses to problems caused by irresponsible dog owners. It is vitally important that local dog owners respond to proposals so that orders reflect their dog walking needs.

For more information please visit www.kcdog.org.uk

**SEFTON COUNCIL**
Public Spaces Protection Order consultation includes proposals on:
• Dog fouling  
• A new offence requiring dog owners to have the means to pick up  
• Dogs on lead  
• Dogs on lead by direction  
• Dog exclusion  
• Maximum number of dogs

The deadline to respond is 11th April.
