The public relations team created several different news angles in the weeks leading up to Discover Dogs in order to promote the show. A photocall with a ‘stressbuster clinic’ was arranged, the most popular pet names for dogs across parts of London and different areas in the UK were revealed using Agria insurance statistics, and a breakdown of the most popular breeds in different London postcodes was announced using Kennel Club registration figures. Media highlights included coverage of the ‘clinic’ from the Mail Online and Evening Standard, a feature on London’s dog breeds and pet names in Time Out and lots of stories in regional areas.

The show itself was a huge success with nearly 34,000 visitors at ExCeL London, making it the second most successful year in the event’s history. The number of people who came to the show to meet around 200 breeds of pedigree dog, find out how to choose the right breed for their lifestyle and find a responsible breeder, watch displays and competitions and shop at the trade stands, was 28 per cent higher this year than in 2016 (26,310).

VOLUNTEERS HELP THE KC

In addition to the ever popular pedigree dog breed booths, which included the White Swiss Shepherd and Russian Toy for the very first time this year after they were officially recognised by the Kennel Club in 2017, Eukanuba Discover Dogs hosted a series of ‘firsts’ to delight crowds, including a Young Kennel Club (YKC) ‘Have a Go’ ring for youngsters to sample dog activities and the special stressbuster clinic (the same one as used in the press launch) where the public could meet puppies to experience the positive psychological and physiological effects of being around dogs.

Members of the general public were also able to see dog owners taking part in competitions such as the Junior Warrant Winner of the Year semi-finals, junior handling, agility and YKC agility and grooming, so hopefully these activities will have attracted a few new recruits. The Kennel Club takes this opportunity to thank all those volunteers who helped at the show to make it the success it undoubtedly was.

THE MPS ENTERING THE COMPETITION CAMPAIGNED HARD, CANVASSING FOR VOTES FROM THE PUBLIC BEFORE MEETING THE EXPERT JUDGES TO DISCUSS THEIR DOG’S HEROIC DEEDS AND ACTS OF DEVOTION.

The MPs entering the competition campaigned hard, canvassing for votes from the public before meeting the expert judges to discuss their dog’s heroic deeds and acts of devotion. This year, the event focused on the importance of training and behaviour and the life skills it arms both dog and owner with.

The judging panel – Steve Jenkinson of the Kennel Club, Graeme Robertson from Dogs Trust and 2016 winning owner Jonathan Reynolds MP – spent the morning with dogs from different political persuasions and ambitions.

This year’s winner of the coveted title was Rocky, a seven-year-old chocolate Labrador belonging to Batley and Spen Labour MP Tracy Brabin. The winners of the online ‘Paw-blic’ vote were Boomer and Corona, Border Collies owned by Alex Norris, MP for Nottingham North.

Before the day, the KC’s public relations team pitched news stories to journalists and photographers from a variety of media outlets, many of whom attended the event which was a great success. Positive press coverage appeared in the majority of national newspapers the following day. Other notable coverage included BBC, ITV, and Sky News programmes, Buzzfeed video content and BBC online videos and a news quiz.

November is also proving a busy time for the KC’s public affairs team as, at the time of going to press, they have just returned from a roundtable meeting in the Scottish Parliament on the future of regulations on electronic training aids. This meeting was arranged jointly by the KC and the Scottish Kennel Club, sponsored by Maurice Golden MSP and was well attended by the leading animal welfare and veterinary organisations, dog trainers and behaviourists as well as Dr Jonathan Cooper from the University of Lincoln who conducted the Defra funded research projects on these devices. We were delighted that MSPs including Emma Harper, Colin Smyth, Mairi Gougeon and Jeremy Balfour were also able to attend.

THE KC AND SKC ARE NOW CALLING ON THE PUBLIC TO WRITE TO THEIR MSP TO SHOW THEIR SUPPORT FOR AN OUTRIGHT BAN

However, the KC and SKC both remain disappointed with the Scottish government’s response to their calls for a complete ban on these devices. Despite the evidence presented and the overwhelming support for a complete ban on the sale and use of shock collars, the Scottish government outlined their intent to regulate their sale and use instead. The proposal put forward was that the Scottish government would develop a Scottish Vocational Qualification which would effectively license dog trainers to use electric shock devices. The Kennel Club has grave concerns that this would legitimise the use of these devices and gaining the qualification could become an aspirational target for dog trainers. This would send a message to the people of Scotland that this is an acceptable way to train a dog when there is a wealth of evidence to the contrary.

Further we were disappointed to learn that the Scottish government has met several times with the Electric Shock Collars Manufacturers Association and dog trainers who use shock collars (of which there are 20-100 in Scotland) and the same courtesy has not been extended to a number of well established professional dog training associations who oppose their use. The KC and SKC are therefore now calling on the public to write to their MSP to show their support for an outright ban rather than continuing on this expensive and time consuming route.

Are you an aspiring judge or perhaps an established judge looking to update your knowledge?

It is now a mandatory requirement for all aspiring Agility Judges to demonstrate that they have undertaken the necessary education and successfully passed the subsequent online examination, prior to attending a practical assessment.

What does the Requirements of an Agility Judge resource offer?

• Rules and Regulations video and examination
  • Kennel Club Agility ‘H’ Regulations
• Code of Best Practice for Judges and Stewards
  • Kennel Club Code of Conduct
• Practical aspects of judging including a Judges Guide to Agility Equipment

The Academy costs just £26 for one year’s access to all of the Judges Education resources.

OBITUARIES

It is with sadness that the Kennel Club wishes to record the death of the following member:

MR JM GILBERT

KC DOG

As part of its External Affairs activities the Kennel Club runs a dog owners group KC Dog with approximately 5,000 members, which was established to monitor and keep dog owners up-to-date about dog related issues, including Public Spaces Protection Orders (PSPOs) and Dog Control Orders (DCOs) being introduced across the country.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland.

The Kennel Club works with local authorities and dog owners to highlight the importance of PSPOs and DCOs being necessary and proportionate responses to problems caused by irresponsible dog owners. It is vitally important that local dog owners respond to proposals so that orders reflect their dog walking needs.

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs’. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. The Accolade of Excellence has been awarded to the following members of the Kennel Club Assured Breeder Scheme:

- Mrs JE Alexander (Offordale) - Dalmatian
- Mr TD & Mrs HL Harrison (Glenbrows) (Spaniel) - Welsh Springer

The Accolade of Excellence is normally awarded to Kennel Club Assured Breeders who already qualify for the three existing accolades, have had a successful visit from an Assured Breeder Assessor and have bred five or more British champions (any discipline).

Breed clubs are invited to submit the names of candidates in writing to the Kennel Club. Breed club secretaries requiring a current list of Assured Breeders in their breed should visit www.thekennelclub.org.uk/services/ or write to the Kennel Club.
