FROM THE KENNEL CLUB

Your monthly guide to what the Kennel Club is doing for you and your dogs straight from the Kennel Club Press Office

The Kennel Club holds a number of high-profile competitions which culminate at Crufts each year. One of our roles in the press office is to ensure these contests are promoted widely so that pedigree dogs receive some well-deserved publicity and exhibitors are aware of how to enter the qualifying heats and/or finals.

Crufts this year on the Saturday will once again stage the final of the Kennel Club Vulnerable British and Irish Breeds Competition. This time, the format is slightly different and the finalists will be the Best of Breed winners from selected group championship shows.

The competition is a platform on which the press office is able to raise awareness of these breeds and it provides the opportunity to recognise those enthusiasts who are dedicated to the survival and prosperity of the breeds which are native to these islands.

If you own a vulnerable British or Irish breed which won Best of Breed at one of the following shows in 2017, your dog has qualified and you will have been sent an invitation: Hound Association, National Gundog Association, National Terrier Club, National Working and Pastoral Breeds Society and United Kingdom Toy Dog Society.

The final will be judged by Tom Mather, breeder and owner of the Barklots Japanese Chins. For further details, including a list of the 30 eligible breeds, please visit: www.thekennelclub.org.uk/activities/dog-showing/vulnerable-breeds-competition/.

BREEDERS AT CRUFTS
The Kennel Club Breeders Competition will also take place at Crufts, on the Friday. The format is similar to last year as it is a stand-alone event where the entries are limited to 40 teams and accepted on a first come, first served basis. Each team will comprise three or four dogs of one breed, all bred by the same breeder or breeding partnership.

The judge for the final is Ronnie Irving, third-generation Border Terrier breeder whose wife Kate owns the Dandyhow kennel name. The event, for which entries have already closed, is sponsored by Agria Pet Insurance.

EXCITING NEW FORMAT
There is a new and exciting format for the Kennel Club Breeders Competition for those wishing to qualify for Crufts 2019. Heats will take place at every general and group championship show throughout 2018, with points being given for 1st – 4th place. New for the competition will be the allocation of prize money courtesy of Agria Pet Insurance, where teams awarded first place will be awarded 30 points and £20, or £25 if a Kennel Club Assured Breeder. Teams in second place will be awarded 15 points, third place 10 points and fourth place 5 points. The top 40 teams will qualify for the final at Crufts 2019, of which two positions will be for the breeders competition winners from the European and World Dog Shows.

All general and group championship shows will be scheduling a Kennel Club Breeders Competition heat each day of their show for the relevant groups in the main ring and there will be a suggested entry fee of £15 set by the individual shows. Points will be recorded and published by Our Dogs, which will publish a leader board within the newspaper throughout the year. The first qualifying show will be Boston championship show being held on 4th – 7th January.

POPULAR FEATURE
The Breeders Competition has proved itself to be a very popular feature at Crufts after its inception at Crufts 2011. Although the competition took a break in 2016, it returned by popular demand in 2017. The competition is always a sight to behold with all the breeders’ teams competing in the main arena, and we hope that the new competition format helps to provide the opportunity for breeders to showcase their pedigree breeds and breeding stock, while at the same time promoting the importance of ensuring dogs are bred to lead long, healthy lives.

KCAI Trainer of the Year

The Kennel Club has announced the five finalists hoping to win the KCAI Trainer of the Year title. The public vote is now open to decide the winner, who will be announced at Crufts.

Returning for the fourth year, the KCAI Trainer of the Year award recognises the outstanding talents of Kennel Club Accredited Instructors (KCAI) scheme members who go that extra mile to make a positive difference to the lives of dogs and their owners.

Dog owners were invited to nominate a dog training instructor or canine behaviourist who they felt was most deserving of the award. Over 400 nominations were received, shared between 39 individual scheme members from across the UK.

HELPING THE COMMUNITY
The nominees were shortlisted to five finalists by a panel of judges consisting of representatives from the Kennel Club and City & Guilds. The judges based their decision on the following criteria: making a positive difference to the behaviour of dogs, changing the lives of dogs and/or people, helpfulness and dedication, and making a positive contribution to their wider community.

The finalists are: Kay Attwood, Camberley, Surrey; Barry Harris, Wirral, Merseyside; Denise Hubbard, Middlewich, Cheshire; Hilary Mears, Wellingborough, Northamptonshire; and Corrine Kennedy, Perth, Perthshire.

THE EXTRA MILE
This award provides the public with a fantastic opportunity to recognise the hard work and achievements of KCAI scheme dog training instructors, who are going the extra mile to make a difference for dogs and their owners. Their dedication to dog training makes the finalists all deserving winners. We wish them the very best of luck.

The finalists have been invited to attend a ceremony at Crufts on the Saturday. As well as receiving the title of KCAI Trainer of the Year, the winner will also receive a trophy, certificate and a £500 voucher for a dog-friendly holiday, courtesy of the sponsor of this award, Hiscox UK (Kennel Club Trainer insurance provider).

VOTE NOW
The public vote will close at 4pm on Friday 26th January – to find out more about this year’s finalists, please visit www.thekennelclub.org.uk/kcaitraineroftheyear. To find out more about joining the Kennel Club Accredited Instructors Scheme, please visit www.thekennelclub.org.uk/kcai.

Shock collar update
Despite all the evidence supporting the need for a ban on electric shock collars and support for the campaign across the welfare and veterinary sectors, the Scottish Government has announced it will merely regulate their sale and use, which will serve to legitimise them and put dog welfare at further risk.

The Kennel Club is now urging dog lovers and anyone with an interest in dog welfare in Scotland, to sign a petition being run by Maurice Golden, Member of Scottish Parliament for West Scotland, to show their support for an outright ban on the sale and use of shock collars. Dog lovers can sign the petition and share with friends by visiting www.change.org/p/the-scottish-government-ban-electric-shock-collars-in-scotland.

What does the Requirements of an Agility Judge resource offer?

- Rules and Regulations video and examination
  - Kennel Club Agility ‘H’ Regulations
- Code of Best Practice for Judges and Stewards
  - Kennel Club Code of Conduct
- Practical aspects of judging including a Judges Guide to Agility Equipment

The Academy costs just £26 for one year’s access to all of the Judges Education resources.

Regulation L(A)8. Excellent Qualifications

TO:
If a first place has been won in a minimum level in starters or novice, or two first places at intermediate or advanced, when the required level of points have been gained, the dog will also be awarded an excellent qualification and can use the title “Ex” after its class title, such as: HTM St Ex.

(Deletions struck through. Insertions in bold.)
(Effective 1 January 2018)

6 REGS CHANGES (RALLY)

Regulation S1. Welfare of Dogs

TO:
An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs’ health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Rally event licensed by the Kennel Club. This shall apply at the venue and within the precincts of the competition.

(Insertion in bold)
(Effective 1 January 2018)
Regulation 5S

5. Classes at Rally Competitions (Effective 1 January 2018)

c. Capped classes

- Organisers of Open Rally competitions and Limited Rally competitions may set a capping level on the entries to be accepted in any standard or special class, and may decline entries received after the capping level has been reached.
- Wins and places in standard classes capped in accordance with this Regulation will count towards progression.
- The capping level must be set at a minimum of 40 entries received. There is no maximum level at which a cap may be set. Capped classes may be split into two or more divisions in accordance with Regulation S19f.
- The capping level for each capped class must be clearly specified in the competition schedule.
- The capping level applied may be adjusted upwards by a maximum of 10% after the closing date of a competition at the discretion of the competition organisers. Capping levels may not be adjusted downwards after publication of the schedule except with the prior permission of the Kennel Club Board. Where total entries received exceed a capping level, entries must be processed in the order received. Processing of entry forms, and of online entries where applicable, must be managed so that the date of receipt of each entry is recorded. (It is permissible to set different opening and closing dates for online entries from those applying to postal entries.)
- Entry fees for entries which are received after the capping level has been exceeded must be refunded in full.
- Entry forms must allow competitors to specify, if their entry for any capped class is declined because the capping level has been reached:
  1. that they wish the dog to remain entered in all other classes, or
  2. that they wish their entire entry for the dog in question to be cancelled, or
  3. that they wish their entire entry for all dogs they have entered at the competition to be cancelled.

In such cases the relevant entry fees must be refunded in full. (Insertions in bold.)

Regulation 5(A)

TO:

1. Levels

Rally handler/dog teams compete across one level in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level. Progression to the next Level does not require either wins or places. Progression is dependent upon achieving scores of at least 175 out of 200 on three occasions under three different judges. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 - 4 have a qualifying score of 175 out of 200.
Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores of 170 or greater equivalent to three wins or places earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent Titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

2. Eligibility

When entered for a competition in a standard class, a dog must be entered at the level for which it is eligible as defined below. The dog may also, if desired, be entered in up to two additional classes, one further standard class at the subsequent higher level, plus one additional special class, or two additional special classes. A dog may be entered in standard classes only, up to a maximum of 3 classes. Special classes do not count towards progression.

The dog may, if desired, be entered in two additional classes, either in the same or different standard classes, at the next level up, plus one additional special class or two additional special classes. In the following definitions, achieved at Level 1 Title, achieved at Level 2 Title, achieved at Level 3 Excellent Title, and so on, means that the dog meets the requirements for those Titles as defined in paragraphs 3 and 4 below.

Level 1

- Open to dogs which have not achieved a Level 1 or Level 1 Excellent Title.

Level 2

- Open to all dogs which have achieved a Level 1 or Level 1 Excellent Title, except those that have achieved a Level 2 or Level 2 Excellent Title. Dogs eligible for and entered at Level 1 may also enter at this Level.

Level 3

- Open to all dogs which have achieved a Level 2 or Level 2 Excellent Title, except those that have achieved a Level 3 or Level 3 Excellent Title. Dogs eligible for and entered at Level 2 may also enter at this Level.

Level 4

- Open to all dogs which have achieved a Level 3 or Level 3 Excellent Title, except those that have achieved a Level 4 or Level 4 Excellent Title. Dogs eligible for and entered at Level 3 may also enter at this Level.

Level 5

- Open to all dogs which have achieved a Level 4 or Level 4 Excellent Title, except those that have achieved a Level 5 or Level 5 Excellent Title. Dogs eligible for and entered at Level 4 may also enter at this Level.

Level 6

- Open to all dogs which have achieved a Level 5 or Level 5 Excellent Title. Dogs eligible for and entered at Level 5 may also enter at this Level.

3. Titles

(Only the highest Level title achieved should be used after the dog’s name. The title is designated as ‘RL1’, ‘RL2’, ‘RL3’, ‘RL4’, ‘RL5’, or ‘RL6’ and appears after the dog’s name).

Level 1 Title

Requires three six qualifying scores of 175 or better, earned under three four different judges at Level 1.

Level 2 Title

Requires six six qualifying scores of 175 or better, earned under three four different judges at Level 1.

Level 3 Title

Requires six six qualifying scores of 175 or better, earned under three four different judges at Level 2.

Level 4 Title

Requires six six qualifying scores of 175 or better, earned under three four different judges at Level 3.

Level 5 Title

Requires six six qualifying scores of 175 or better, earned under three four different judges at Level 4.

Level 6 Title

Requires six six qualifying scores of 175 or better, earned under three four different judges at Level 5.

4. ‘Excellent Titles’

No Change

5. All qualifying scores earned before 1 January 2018 will count towards progression.

(Deletions struck through, insertions in bold.)

(Effective date: 1 January 2018)
In accordance with the Judges Development Programme Code of Best Practice:

*In order to be eligible to attend a JDP Breed Assessment, a person must:

Have previously awarded CCs to at least three breeds, two of which must be within the host Group (eligible to attend host Group Assessments only)

OR

Have been previously approved by the Kennel Club to Judge a Group at Championship Show level (eligible to attend all Group Assessments)

AND

Be satisfied that by putting themselves forward for assessment they are able to demonstrate sufficient knowledge of the scheduled breed.”

*Please refer to the Code of Best Practice for full details

The following lists only include those judges who meet the above eligibility criteria and have been deemed to have demonstrated a sufficient knowledge and insight of the Breed by the relevant Judges Development Programme Assessment Panel, and therefore have been awarded a ‘Breed Credit’ Certificate.

It should be noted that the following judges are, by virtue of their ‘Breed Credit’, exempt from Kennel Club Regulation F(1)21b.(1) (b) which require judges to be included on a Breed Council/Club B Judges list or above in order to judge more than three breed classes (5 classes for Stud Book Band E breeds) for the Breed in question. This applies to Open Shows and to breeds without CCs at a Championship Show. A Breed Credit will also be acknowledged by the KC Judges Sub-Committee and due consideration will be given to the individual when seeking approval to award CCs for the first time in that breed, where they have judged the relevant number of classes/dogs as appropriate.

ANNUAL RETURNS 2018

Secretaries of Registered and Affiliated Societies and Breed Councils are reminded that 2018 Annual Returns must be submitted to the Kennel Club (Canine Activities Department) by 31 July 2018. Please email documents to cat@thekennelclub.org.uk or post and mark your envelope ‘annual returns’.

The items required to complete the Annual Returns are listed in the Kennel Club Year Book 2017/2018, under Regulation C 4.a. Secretaries of Breed Clubs, Breed Councils, General Canine Societies, Training Clubs and Agricultural/Municipal Societies should note that all items must be forwarded each year, even if there are no changes from the previous year. Any proposed changes to rules must be clearly indicated. In the case of a Breed Club which uses its Breed Council’s judges lists, this fact should be clearly notified in a covering letter.

For Breed Clubs and Councils, criteria for inclusion on judges lists must also be submitted. Any proposed amendments to the criteria must be highlighted and approval sought.

Breed Clubs are required to submit the Kennel Club Code of Ethics with any additional clauses as part of the Annual Returns.

The safe receipt of complete Annual Returns will be acknowledged and failure to receive a receipt within 6 weeks should be queried with the Canine Activities Department.

MAINTENANCE OF TITLE FEE 2018

Secretaries of Registered and Affiliated Societies are reminded that the Maintenance of Title fee for 2018 is due during the month of January 2018 if renewal of maintenance of title is required for the year (vide Kennel Club Regulation C.4.a.).

Those Societies not paying this fee by an automatic payment method (e.g. direct debit), will have recently received a reminder notice with a payment slip and should ensure that the relevant section of the notice and fee* is received by THE KENNEL CLUB, REGISTERED SOCIETIES DEPARTMENT, CLARGES STREET, LONDON W1J 8AB no later than 31 January 2018.

Receipt of fees paid by methods other than automatic payment will be acknowledged and failure to receive an acknowledgement within 14 days of despatch of fees to the Kennel Club should be queried with the Canine Activities Department.

OBITUARY
It is with sadness that the Kennel Club wishes to record the death of the following honorary member:

MR CG BREACH

KC DOG

As part of its External Affairs activities the Kennel Club runs a dog owners group KC Dog with approximately 5,000 members, which was established to monitor and keep dog owners up-to-date about dog related issues, including Public Spaces Protection Orders (PSPOs) and Dog Control Orders (DCOs) being introduced across the country.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland.

The Kennel Club works with local authorities and dog owners to highlight the importance of PSPOs and DCOs being necessary and proportionate responses to problems caused by irresponsible dog owners. It is vitally important that local dog owners respond to proposals so that orders reflect their dog walking needs.

He introduced independent observers who would oversee the vote.

2. Item 2 on the agenda was the Chairman’s introduction. The Kennel Club’s new chief financial officer was introduced to the members. The Chairman then gave an update on the current puppy registration figures, Eukanuba Discover Dogs, the world congress of Kennel Clubs, the official openings of the new Kennel Club properties at Emblehope and Aylesbury, the Kennel Club’s property portfolio, Question Time events and the Judges Competency Framework.

3. Item 3 on the agenda was a proposal on behalf of the Board, as a Special Resolution, that Kennel Club Article 31. Participation in meetings of the Board 11.1.2 be amended as follows: ‘they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting, provided that they may only participate in the meeting by telephone, video conferencing or any other mode of electronic communication with the consent of the Board.’ Following a comment expressing support from the floor, the members were asked to cast their votes on their ballot papers.

4. Item 4 on the agenda was a proposal on behalf of the Board, as a Special Resolution, that Kennel Club Article 31. Applications for membership 31.2 be amended. The current wording was as follows: ‘The Kennel Club shall consist of Ordinary Members (of whom there shall not be more than 1500 at any one
the entrance fee of £50 is payable. The entrance fee is payable by Ordinary Members upon election.’ and remove the reference to ‘the entrance fee’ in the subsequent paragraph. Rule A2b was to be renumbered as Rule A3c and to preserve existing A Rule numbering (leaving A2 as ‘Intentionally deleted’). There were no comments from the floor and the members were asked to cast their votes on items 6, 7 and 8 on their ballot papers.

9. Item 9 was a proposal on behalf of the Board, as a Special Resolution, that Kennel Club Article 29. Elections 29.3 be amended to read: ‘New Board candidates and those members of the Board standing for re-election must submit on the form prescribed from time to time by the Board comprehensive biographical notes of no more than 1,000 words which must include a declaration of professional and/or commercial interest in canine affairs...’. There were no comments from the floor and the members were asked to cast their votes on their ballot papers.

10. The Chairman then moved to item 10 on the agenda, a proposal on behalf of the Board that Kennel Club Rule A: Membership 1. Rights and Privileges of Members be amended to read: ‘An Ordinary Member’s privileges shall include the use of the Club Premises, copies of each publication of the Kennel Club Stud Book, the Kennel Club Year Book, the Kennel Club Breed Records Supplement to the Stud Book, the Kennel Gazette, the Kennel Club Journal and a membership card (non-transferable) entitling the Ordinary Member access to Crufts and Discover Dogs shows and discounts as set by the Kennel Club Board.’ There were no comments from the floor and the members were asked to cast their votes on their ballot papers.

11. At item eleven, it was proposed on behalf of the Board that a lower household membership fee of £250 per annum (when paid by direct debit) be introduced where two elected members reside at the same address, with reference to Kennel Club Article 37. Conditions of membership 37.2. Questions were addressed as to whether there were any households with more than two members, and whether the payment could be made as two separate direct debits. The members were then asked to cast their votes on their ballot papers.

12. The Chairman advised that items 12 to 15 would be presented by Mark Cocozza, chairman of the Finance Committee and invited him to the stage to outline the proposals. Under item 12, Mr Cocozza proposed on behalf of the Board that Kennel Club Rule A(C): Scale of fees 2.Canine Services 2.1 Registrations (a) (i) be amended as follows: ‘Each registered puppy (within 12 months of birth) for non-ABS members £17.00’. Questions were addressed on the inflation rate used in the Kennel Club’s calculations and savings and efficiency measures. The members were then asked to cast their votes on their ballot papers.

There were no comments from the floor and the members were asked to cast their votes on their ballot papers.

The Chairman then advised that item 16 was the final voting item of the day and that the ballot papers would now be collected by the independent scrutineers.
17. The Chairman moved onto item 17 of the agenda, a discussion item on the composition of the Kennel Club Board to ensure fair representation on the Board. He outlined that the Board wished to consider ways to ensure that there was always an inclusive and proportionate representation on the Board, and also to look more closely at the required skills needed so that the Board could fully represent everyone involved in all canine activities. The discussion included possible ways to ensure that the activity disciplines were represented, and how to encourage more women to stand for election to the Board. Following the discussion, the Chairman stated that notes from the discussion would be taken back to the Board for further consideration.

18. The final item on the agenda was to receive a presentation on the work of the Dog Show Promotion Working Party. The Chairman invited Mark Cocozza, chairman of the working party, to give the presentation. Mr Cocozza advised that the working party had held its final meeting in September 2017 and invited the members to show their appreciation to all of the working party members and everyone who had given their time, experience and expertise over the previous four years. He then outlined the changes that the working party had introduced to retain and enhance the experience for existing customers and attract new owners into dog showing. Following the presentation, a suggestion was made that the Kennel Club considered sponsoring a television programme to increase its exposure, which was noted.

The Chairman then announced a short break, whilst the ballot papers from the voting items were counted.
