Reserve Smooth Collie Puppy of the Year 2023 – Mr & Mrs Holmes & Miss Lusty's **BLAMORDER MAKERS MARK JW** - Sable/White Bitch again of 20 months, a nicely made bitch with a pleasant head and expression, good underjaw and firm lip line, ears set well, good level topline, good chest but I would prefer slightly more length to upper arm, good bend of stifle and length of tail, moved well.

Smooth Collie Veteran of the Year 2023 – Miss A Lusty's Ch. Blamorder Ice Cream Dream, a very pretty and well marked blue merle bitch although I would prefer the colour to be slightly clearer blue, she will be 8 years of age next month, good underjaw with a good tight lipline, well moulded foreface with good head planes, decent placed ears, good length to neck, decent chest, good length of back and solid topline with slight rise over the loin leading to a decent length of tail, front angulation is excellent, good underline, decent bend of stifle, moved well holding her topline and tail correctly.

Reserve Smooth Collie of the Year 2023 – Mr & Mrs Denton's Ch. Kevranna Theras Enate Echo, Sable/White Bitch of 12 and half years of age, still very attractive bitch with a really pleasing moulded foreface, excellent lipline and underjaw, well placed and tipped ears, good length of neck, excellent forechest and front angulation, decent length of back just starting to slightly lose her topline but giving away 4-5 years at least to most of her competition I will give her that. Lovely rear angulation to match the front, well bent stifle, good length of tail, still moving with reach and drive and single tracking at her age, she could not be denied reserve placing.
